

**Joint Meeting of UMI-SIMAI-PTM  
Wrocław (Poland), September 17-20, 2018  
Final Announcement**

The UMI-SIMAI-PTM Joint Meeting Wrocław, September 17-20, 2018 commences in less than one week. Before we all gather in Wrocław we would like to draw your attention to the following important issues. By becoming familiar with them, all of us will enjoy the meeting without interruptions.

We use abbreviations (please see the map below):  
WUST - Wrocław University of Science and Technology  
UWr - University of Wrocław

### **Registration upon arrival**

Early registration will be possible on Sunday, September 16, from 3 PM to 5 PM in the main hall of the C-11 building at WUST. We advise you to register on Sunday to avoid the crowds on Monday.

The main registration will start on Monday, September 17, at 7.45 AM in the main hall of the D-20 building at WUST.

During the registration you will be asked to decide between two social events for Tuesday: either the 1.5-hour concert of the Motion Trio ensemble at 8 PM or a visit to Panorama of Raławice for a half-hour tour (at 6 PM or at 6.30 PM or at 7 PM).

You will be also provided with a badge with an outline of the conference schedule and tickets for: lunches, boat trip, music concert or a tour of Panorama of Raławice. The tickets will be collected before each event. The color of the lunch ticket will indicate one of the two places at UWr where your lunch will be served. If you have any special food restrictions, please always mention this to the people serving meals.

### **Scientific Program**

The Opening Ceremony of the meeting will take place on Monday, September 17, at 9.30 AM in the building D-20 of WUST.

The general outline of the conference schedule and a detailed program of all thematic sessions are posted in the webpage tab PROGRAM. There is also a pdf file which includes both.

Note that all plenary talks will be held in the D-20 building at WUST. All thematic sessions take place at UWr in one of the buildings: (BIO), (CHEM), (INF), (MAT). We note that the distance between WUST and UWr is 10-12 minutes' walk. We include a local map with a route connecting them. An interactive version of the map is available on the webpage in VENUE tab.

## Social program

On the conference webpage in PROGRAM/Social Program tab there is an interactive map indicating where all the social events are to take place. We include a photo of that map below. The cost of the social program is included in the conference fee.

**Monday**, September 17: we will gather between 6.45 PM and 7 PM in the parking lot in front of the (INF) building at UWr. We will depart from there in groups to reach the embarkation spots for a three-hour Odra River boat trip through the Old Town of Wrocław. Food catering and beer will be provided on the boats by organizers. Additional drinks will be accessible through purchase. Since the weather forecasts cannot be certain and during this season the nights are colder, please take warm clothes with you.

**Tuesday**, September 18: there will be a concert by Motion Trio. Alternatively you can visit Panorama of Raławice. You will be asked to choose at the registration desk. Both events are located within walking distance from the campuses.

The 1.5-hour concert will take place in the A-1 building of WUST starting at 8 PM. If you decide to attend, you should get to the building on your own 10 minutes in advance. The address is Wybrzeże Wyspiańskiego 27.

You can choose from one of the three half-hour tours to Panorama of Raławice. This is near UWr. We will gather in the parking lot in front of the (INF) building at 5.30 PM, 6 PM and 6.30 PM to walk together to Panorama of Raławice.

**Wednesday**, September 19: a conference banquet will take place in building D of the Faculty of Law, Administration and Economics of UWr, starting at 7.30 PM. The address is Uniwersytecka 7-10, Wrocław, but the entrance to the building is located on the side of the building facing Kuźnicza street. You can reach the building on your own or join us between 6.45 PM and 7 PM in the parking lot in front of the (INF) building at UWr. We will then move in groups to the D building: by walk (23 minutes), or by tram (6 minutes) and walk (8 minutes), depending on the individual preferences.

## Android app

Those participants who would like to have an easy access to all the information about the meeting may install free of charge the UMI-SIAMI-PTM app. It is available in Google Play and via link <https://play.google.com/store/apps/details?id=appumisimaiptmorgpl.wpapp>. If you allow for *push notifications*, you will receive reminders from the organizers of the conference directly to your phone.

## Request

For organizational reasons we ask you to avoid delays in registration upon arrival. Please use the Congress Badge that will be included in the conference material as it is necessary for safety reasons in the conference venues and identification during the social events. For these reasons we assume that people who have not paid the fee (at latest at the

registration desk) will not attend the meeting (excluding individual cases of exemption). Thank you for your understanding.

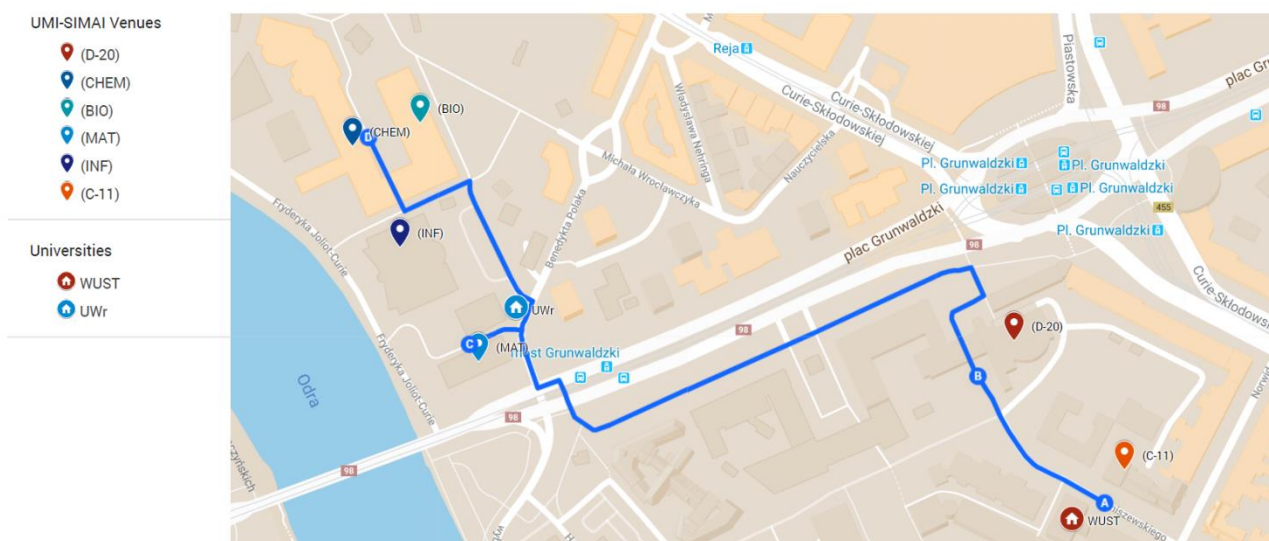

## Invitation to the City Hall

We also draw your attention to an invitation by the Mayor of Wrocław to a welcome glass of wine at the historic City Hall of Wrocław (Rynek 50) to be held on **Sunday**, September 16, at **6 PM**. See a photo below and a formal invitation in the attachment of the e-mail. The accompanying person is also invited. You can complete your early registration in the lower hall of the City Hall, too.

**Contact.** For details and more information please visit <http://umi-simai.ptm.org.pl/> or contact us by [umi-simai-ptm@ptm.org.pl](mailto:umi-simai-ptm@ptm.org.pl)

We look forward to seeing you in Wrocław.
